Ahmedabad, Surat, July 21

IN VIEW of the forecast of heavy rains in several districts of Gujarat for a week, the Weather Watch Group of the state government held a meeting on Tuesday at the State Emergency Operation Center (SEOC), Gandhinagar, under the chairmanship of Relief Commissioner Gaurang Makwana.

Valsad and Navsari in the south, where a red alert has been declared by the India Meteorological Department (IMD) on July 21 and 22, are expected to receive heavy to very heavy rainfall.

Also, an orange alert against very heavy rain has been declared in Aravalli, Panchmahal, Dahod, Mahisagar, Chhota Udepur, Narmada, Dang, Tapi, Navsari and Valsad districts on July 22 and 23.

"Based on the satellite imagery and latest forecasts released by the Meteorological Department, all areas in the state – including South Gujarat, where there is a possibility of heavy rainfall – are being continuously monitored by the Control Room throughout 24 hours. NDRF and SDRF teams have been deployed in sensitive areas with all the necessary equipment and materials to ensure that rescue and relief operations can be carried out quickly in case of emergency," Relief Commissioner Gaurang Makwana stated.

A comprehensive review of the administrative arrangements for the safety of citizens and disaster management against rain was conducted. The Relief Commissioner instructed the officials across the state to inform the State Control Room in case of any emergency.

According to the Meteorological Department, due to the cyclonic circulation in Gujarat and the weather system formed in the Arabian Sea, there is a possibility of moderate and heavy to very heavy rainfall in some areas till July 27. A widespread rainfall has been predicted especially in South Gujarat.

On July 24, a warning of heavy rain has been issued in scattered places in Sabarkantha, Aravalli, Banaskantha, Mehsana, Gandhinagar, Anand, Kheda, Panchmahal, Dahod and Mahisagar as well as all districts of South Gujarat.

On July 25, very heavy rains are very likely in the districts of North Gujarat namely Sabarkantha and Aravalli, Banaskantha & Sabarkantha on July 26 and Banaskantha on July 27.

Following heavy rainfall in South Gujarat, the Surat Municipal Corporation conducted a Creek Flood Prevention Committee meeting on Monday evening, and necessary instructions were given to officials concerned to take preventive steps to save the city from floods.

The meeting was attended by Municipal Commissioner, Collector, Additional Collector, and other top officials.

Surat city has received 30% of the average rainfall for the entire southwest monsoon season in just a week, earlier this month, leading to the death of at least 26 people in separate incidents.

Court rejects SIT closure report in 2021 encounter killing case

Court admits petition filed by family, summons IO and seven accused cops

Kamal Saiyed
Surat, July 21

A COURT in Surendranagar has rejected the closure report of the Special Investigation Team (SIT) in the alleged killing of a man and his minor son in an encounter in 2021, and admitted a protest petition filed by the man's mother-in-law while issuing summons to the investigation officer to be present in court on August 8 with the probe details.

Hanif Khan alias Kalo Munno Amrikhan Jatmalik,44, alleged leader of the 'Talpatri Gang' of highway robbers, and his son Madin Khan, said to be around 15-years-old, were allegedly killed in a police encounter on November 6, 2021.

The family had accused police sub inspector Virendrasinh Jadeja and six other cops from the Bajana police station in Patdi taluka of Surendranagar of allegedly killing the father-son duo in an encounter.

Hanif Khan's daughter Suhana Khan and her guardian Hanifa Khan Jatmalik who is Hanif's mother-in-law had filed a PIL before the Gujarat High Court in 2022 seeking justice. The HC in 2024 directed the family to approach the magisterial court in Surendranagar. The police in their affidavit before the HC then had said that they had fired at the two in "self defence" after a "riot-like situation" broke out when they went to arrest Hanif Khan at Gediya village.

Hanif Khan and his son Madin, who were killed on November 6, 2021.

Suhana Khan had then filed an application with the Surendranagar district Dhrangadhra-Patdi Judicial Magistrate First Class Court on April 17, 2025. The court had directed the police to register an offence against the seven policemen — sub inspector Jadeja, head constables Rajeshbhai Mithapara and Kirit Solanki, and constables Shaileshbhai Kathevadiya, Digvijaysinh Zala, Prahladbhai Charmata, and Manubhai Fatepara – and ordered an investigation by a Deputy Superintendent of Police-level officer.

A police complaint was registered by Hanifa Khan against PSI Jadeja and the six policemen accusing them of murder, at the Bajana Police station on May 29, 2025. The SIT under DSP J D Purohit was set up, which filed a C summary (closure report) before the court last year, following which Hanifa Khan filed a protest petition in December last year. The Judicial Magistrate First Class at Patdi, Puthu Sharma, on July 18 rejected the C Summary Report filed by the SIT in the case.

In the order issued on July 18 and made available on Tuesday, JMFC Puthu Sharma stated, "The C Summary Report submitted by police has been rejected, and the protest petition of the defence has been accepted. Summons should be issued to PSI Virendrasinh Jadeja and six other police men to remain present in the court on August 8, 2026. The investigating officer should submit the case details before the court on August 9, which would be handed over to the accused." The protest petition alleged that the probe team had supported the seven accused police personnel.

"The accused are police officials and the SIT members are also police officers. The probe team had harboured and supported the seven accused police officials and filed a "C-summary" in the case. The C Summary Report should be rejected. The accused killed the son-in-law of the complainant and his minor son (12 years old) on November 6, 2021, in a police encounter. Several facts had come on record showing that the accused had intentionally killed both Hanif Khan and his minor son Madin".

The FIR, based on Hanifa's complaint, said: "On November 6, 2021, a police team headed by PSI Jadeja, all in plain clothes, came in a private vehicle and caught Hanif Khan alias Kalo Munno, who was absconding in a criminal offence, in Gediya village, Patdi taluka in Surendranagar district. The accused police men took him to a private vehicle. Meanwhile, Hanif's son Madin Khan saw his father being taken by some plainclothesmen and tried to stop them. PSI Jadeja took out his service revolver and fired at Madin Khan on the chest. After the death of Madin Khan on the spot, his father Hanif Khan had a scuffle with police. PSI Jadeja fired another round on Hanif Khan, killing him on the spot. The cops later fled the spot, leaving their vehicle behind."

Talking to *The Indian Express*, Hanifa Khan's lawyer P R Dave said, "The evidence that came on record clearly states that PSI Jadeja and his team had killed both Hanifa Khan alias Kalo Munno and his minor son Madin Khan."

Suhana Khan said, "We are satisfied with the JMFC court order, and we hope that those involved in killing my father and my brother will get strict punishment." Surendranagar SIT Deputy Superintendent of Police J D Purohit could not be reached.

Another Chandipura virus death, toll reaches 8

Press Trust of India
Banaskantha, July 21

A TWO-YEAR-OLD girl from Rajasthan's Sirohi district died while undergoing treatment for Chandipura virus infection at a hospital in Gujarat's Banaskantha district, a health official said on Tuesday.

Health Minister Praful Pansheriya has said that 63 suspected cases of virus have been reported so far (this year) in Gujarat, out of which 12 were positive while eight of the patients have lost their lives.

Medical superintendent of the Banas Medical College and Research Institute Dr Sunil Joshi said on Tuesday that the girl from Rajasthan was brought to the hospital on July 13 in a critical condition, and she tested positive for Chandipura virus the following day. The toddler was admitted to the Pediatric Intensive Care Unit, where she received treatment for six days.

However, she succumbed to the disease on July 19, he said.

Talking to reporters on Monday, minister Pansheriya said, "So far, a total of 63 suspected cases of Chandipura virus have been reported in the state. Out of these, 12 patients have tested positive. These include 9 cases from Gujarat and 3 cases from Rajasthan."

Eight patients have died so far, he said.

Chandipura virus infection can cause encephalitis, or inflammation of brain tissue, along with symptoms such as high fever, seizures, vomiting, diarrhoea, unconsciousness, and, in severe cases, organ failure, Joshi noted.
